Horn Intro

Sleep, yes I sleep, can't get no rest
My days are filled with trial and test
I've been searchin' for something to keep me strong
But I find I need nothing to sing my own song

Run, come now baby, it's sink or swim
Hold on tight now, let's begin
It's all right now, it's all right now,
It's all right now, it's all right now

One day, my bottom did go drop out
I looked around and seen mother wasn't there
So I found the load I was carrying was much, too much
And I grew a bit wiser and I lost my crutch

Shoo-be-doop, whoa-whoa
Shoo-be-doop
Shoo-be-doop, yeah-yeah
Shoo-be-doop...woooo

Mama Bird, she pushed me out of the nest with these
words:
"Said no time for rest!"

You better, run, run, run,
Run as fast as you
Run, run, run,
Run as fast as you can
Run, run
Run as fast as you can

Horns

Well, time to pull the cord before I hit the ground
Shake the extra weight and keep this feelin' sound
So I found the load I was carrying much too much
And I grew a bit wiser, grew bit wiser

Look here, you're on the right track
Look here, you're on the right track

What I say, no turning back
Look here, you're on the right track

Shoo-be-doop, whoa-whoa
Shoo-be-doop, save time for me now, baby
Shoo-be-doop, yeah-yeah
Shoo-be-doop...woooo

Mama Bird, she pushed me out of the nest with these
words:

"Said no time for rest!"

You better, run, run, run,
Run as fast as you
Run, run, run,
Run as fast as you can
Run, run
Run as fast as you
Run, run, run
Run as fast as you can
