Somebody's callin' me (x4)

I've got to say this, a new dedication
I'm stayin' fit, doin' it my own
Yes, me stay wise, no complications
I say me rumble, no more grumble
You hear me callin', I just a callin', people say...

Just one moment I caught up, I left you behind
Too many years rest my soul I entered the Rat Race
I know I see clearly, now I can see clearly one more
time
And now I steppin' with my mind and soul see clearly
one more time

Somebody's callin' me (x4)

They treat me bad this way
Watch me, watch my life decay
I'm tired of all this grumblin'
Now is when my life begins

Push up, push up, push up
Move up, move up, move up
Get up, get up, get up
Get up now the time is tough!

Yes, I know
I'm gonna move up
This I know
I'm gonna push up

Somebody's callin' me (x4)

Them give me little
Why you got me workin' so hard!
Just one wish: for do it my own
Yes, me spend time and sittin' so long
You hear me rumble, no more grumble
You hear me callin', I'm just a callin'
People say....

Just one moment so caught up, I left you behind
But, I realized that there's no stranger
I can hear you, I can hear you callin'
I can hear you callin'

Dub

They treat me bad this way
Watch me, watch my life decay
I'm tired of all this grumblin'
Now is when my life begins

Somebody's callin' me (x4)

Push up, push up, push up
Move up, move up, move up
Get up, get up, get up
Push up, push up, push up
Move up, move up, move up
Push up, push up, push up
Get up, get up, get up
Push up, push up, push up
Move up, move up, move up
Push up, push up, push up
Get up, get up, get up
Push up, push up, push up
