You accepted my love, I'm so glad 'bout that
I've been waiting patiently, now is the time to hold back
No need to explain why we do, childish things we do
You scratch me, I'll scratch you back
No need to explain why we do, when I see it in your
eyes
That's why we go...

Who's pretending now?
Who's pretending now?

You accepted my love, the way you g'won so, way you
g'won so
You blush and pass me notes I know you ain't so shy,
it's no surprise
We just pretending that we waitin' now, it's no surprise
We just pretending that we waitin' now, it's no surprise

Who's pretending now?
Who's pretending now?
Who's pretending now?
Who's pretending now?

Horns

We just pretending, we just pretending now, it's no
surprise
We just pretending, that we waitin' now, it's no surprise
We just pretending, we just pretending now, it's no
surprise
We just pretending, that we waitin' now, it's no surprise

Who's pretending now?
Who's pretending now?
Who's pretending now?
Who's pretending now?
Who's pretending now?
Who's pretending now?
