\*Horns\*

I got to know now, why you put the hurt on me, baby, I  
got to know  
Please, please tell me now, got to know  
I, I, got to know how

How, you feel so lonely girl?

You don't know how it feels, you don't know what it's  
like  
To live blue days and toss and turn at night  
So, how you push me out and sleep at night?

I'm on a road with no direction  
My sentimental heart is getting nasty infections  
My mind is a roamin', about us I ponder  
And when the night comes, I often wonder...

How, you push me out and sleep at night?  
How, you push me out and sleep at night?

\*Horns\*

How, you feel so lonely girl?

You broken my heart, you done torn it apart  
You left me standin' here alone in the dark

So, how, you push me out and sleep at night?  
How, you push me out and sleep at night?

\*Horns\*

I got to know now, why you put the hurt on me, baby, I  
got to know

How, you feel so lonely girl?  
How, you feel so lonely girl?  
How, you feel so lonely girl?

How?

How?  
How?  
How?  
How?
