Horn Intro

Walkin', 'til sun come up on Sunday mornin'
Long time I seen ya so glad you seen me walkin'
Cross the tracks down to the beach
If I had known you's in town I would've set a date
But it's better this way that we meet again by fate

Walkin', 'til sun come up on Sunday mornin'
Long, long lonely time since I've seen ya
Come in like the south winds at night
I hope you won't be leavin', cause surely I'd be grievin'
Yes, we're takin' our time, takin' our time,
There is no rush now, takin' our time

Walkin', 'til sun come up on Sunday mornin'
Long time I seen ya so glad you seen me walkin'
Cross the tracks down to the beach
If I had known you's in town I would've set a date
But it's better this way that we meet again by fate

Horn Solo

Walkin', 'til sun come up on Sunday mornin'
Talkin', foolin' 'round...Sunday mornin'

As we walk hand in hand, side by side
Yes, we takin' our time, takin' our time,
There is no rush now, takin' our time,
Takin' our time, takin' our time.
