Puttin' it on, takin' it off, ain't no thang gettin' paid off!
(x4)

This time is a good time
For the best in you to come true
The whole world can be so cruel, so cruel
And all you gotta do is be you

Well, we ain't gonna take it, we gonna break it!
Don't let the power people take it 'cause it's all fun and
games
Now is it hatin'?

The payoff is no money thang, no dollar bill, no
diamond ring
The payoff is for you to claim, not the funny games
people playin'
The payoff is no luxury, so be your own king or queen
It's all insanity, but don't sweat 'cause they won't win!

Puttin' it on, takin' it off, ain't no thang gettin' paid off!

The payoff is no luxury, so be your own king and be

What they do, what they do, what they do, but don't
sweat 'cause they won't win!

Puttin' it on, takin' it off, ain't no thang gettin' paid off!

This time is a good time for the best in you to come
