(Verse)

Hand in hand we walk across the land
But understand that I'm a wanted man.

(Pre-Chorus)

Meet my friends and you can join the band,
Sleep in tents, and I understand.

(Chorus)

I saw fire, I saw the fences,
I saw faces, I saw the fear,
I came by the same circumstances,
I've been places, I've done in here.

(Verse)

Diane, you don't have to bare your breast tonight
Make plans and break 'em like it's fairly running
high.

(Pre-Chorus)

Meet my friends and you can join the band,
Sleep in tents, and I understand.

(Chorus)

I saw fire, I saw the fences,
I saw faces, I saw the fear,
I came by the same circumstances,
I've been places, I've done in here.
I saw fire, I saw the fences,
I saw faces, I saw the fear,
I came by the same circumstances,
I've been places, I've done in here.

(Bridge)

I'll be the one crying off,
I'll be the one crying off,
I'll be the one crying off,
I'll be the one crying off.

(Chorus)

I saw fire, I saw the fences,

I saw faces, I saw the fear,
I came by the same circumstances,
I've been places, I've done in here.
I saw fire, I saw the fences,
I saw faces, I saw the fear,
I came by the same circumstances,
I've been places, I've done in here.
