I got a message from my youngest daughter
Sheâ€™s sits at home by the phone all night
You should care about my youngest one
Sheâ€™s got lightning in her eyes lightning in her eyes
ooh yeah.

Youâ€™re all she talks about even in her sleep!..
yeah

I got a message from my oldest daughter
She says hello then she drinks all night
Dunno what you did or what you said
but sheâ€™s got lightning in her eyes lightning in her
eyes ooh yeah.

Youâ€™re all she talks about yeah even in her
sleep!.

SOLO

Iâ€™ma tell you punk It ainâ€™t easy been me

I got a message from my wife and daughters
They sit at home discussing you all night.
I am here because Iâ€™m all thatâ€™s left
And Iâ€™ve got lightning in my eyes lightning in my eyes
ooh yeah!
