Hello eva sofia, where are you going to be  
May I please interfere, or maybe buy you a beer

I know the kind that you like  
x3  
So let me buy you a beer

So hey eva sofia, howâ€™s it going to be  
Could I please interfere, and maybe buy you a beer

I know the kind that you like  
x3  
So let me buy you a beer

Iâ€™m hung over again, Iâ€™m not gonna pretend  
what I didnâ€™t last night  
Iâ€™ll never do it again, but I love the feeling of  
breakinâ€™ even

Iâ€™m hung over again, Iâ€™m , not gonna pretend what  
I didnâ€™t last night  
Iâ€™ll never do it again, but I love the feeling of  
breakinâ€™ even

Iâ€™m goinâ€™ back tonight, damn sure Iâ€™m  
cutting in line  
But If I see your face, I might do it again!
