Do do do do
Do do do do
Do do do do

Bicycles are made for rain
One hand on handlebars
One on my umbrella

My ankles are getting wet
But I can't help but steer
For the deepest puddle

Let the rain fall
Soak us to the bone
Nothing will sink our smiles

Double dutch was made for sunny days
When we've been driving such long hours
Our legs get restless so we need to jump and run
and laugh with one another

And if there is no sun
When we're far from home
Nothing will sink our smiles

Let the rain fall
Soak us to the bone
Nothing will sink our smiles

Life can be uncertain at the best of times
Try to move quicker by the worst of times
All things are made better when you have some friends
to get by with a little help

Bathing suits are made for sandy beaches
Where the waters warm in the afternoon
I can do no dolphin kick but I can spin in circles
Float till the rise of the moon

Let the waves roll
Wash us to the shore
Nothing can sink our smiles

And if there is no sun
When we're far from home
Nothing will sink our smiles

Let the rain fall
Soak us to the bone
Nothing will sink our smiles

Ba ba ba ba ba
Ba ba ba ba ba
Ooh ooh ooh ooh ooh ooh
Ba ba ba ba ba
Ooh ooh ooh ooh ooh ooh
