Oh, I knew there'd be trouble
It's what happens when you live
But hope is like a flame that never dies

Hard's the road that I have taken
But I walk it unforsaken
So I will toss the trouble in vain because

I feel my heart begin to change

I am a brand new thing
Love came walkin' in
I am a brand new thing

Oh, God make me stronger
So I can wear the cross
I'm weak, I've fallen down so many times

I will bear the weight of sorrow
And it won't seem so great tomorrow
Death to lose and life to gain

Now I feel my heart begin to change
Yeah I feel my heart begin to change

I am a brand new thing
Love came walkin' in
I am a brand new thing

Oh, Lord I want to know You
I don't care for nothin' else
'Cause nothin' and no one else can satisfy

Here's my heart, oh please just take it
I'm afraid, but please just break it
I know this trial is not in vain because

I feel my heart begin to change
And I feel my heart begin to change

I am a brand new thing
Love came walkin' in

I am a brand new thing
Love came walkin' in
I am a brand new thing
