"Exalt"

When I hate me and when they hate me
He has loved me, He'll always love me
He'll let me exalt Him, let me exalt Him
Let me exalt Him, oh Lord

It doesn't mean I won't be scared anymore
Doesn't mean I won't have doubt anymore
Doesn't mean I won't have fear anymore
Doesn't mean I won't have heartache no more
I'm alive, so alive

God from forever, until forever
You are God, You are God, You are God, You are my
God
Let me exalt You, let me exalt you, let me exalt you, oh
Lord
