I've never had this feelin' like someone really loves me
But Jesus truly loves me, it's got my mind reeling
I found the information in lyrics David Penned
His savior and his friend, His love's without condition

And I know it sounds improbable
With God nothing's impossible
God's love goes on

Forever, forever, forever, forever
Forever, forever, forever, forever
Forever, forever, forever, forever
Forever, forever, forever, forever

And love has always left me as quickly as it came
But this is not the same, He never will forsake me
And me, I'm so unfaithful, and God, I don't deserve it
I know you don't deserve it, receive it and be grateful

Yeah, I know it sounds improbable
With God nothing's impossible
God's love goes on

Forever, forever, forever, forever
Forever, forever, forever, forever
Forever, forever, forever, forever
Forever, forever, forever, forever

It's difficult to think of something with no ending
Not only everlasting, but God has no beginning
Beyond my comprehension too wonderful to feel it
To wise men he's concealed it and to a child revealed it

Now I know it sounds improbable
With God nothing's impossible
God's love goes on

Forever, forever, forever, forever
Forever, forever, forever, forever
Forever, forever, forever, forever
Forever, forever, forever, forever

Forever, forever, forever, forever
Forever, forever, forever, forever
Forever
