Soul, what's wrong? Why are you troubled here within
me?

Deep inside my heart, my soul, what's wrong?

So my God, I do not see why you forgive me

Do you need me? Am I wise? Am I strong?

So why, so why, so why, so why?

Why do you even love me?

Why do you even care?

Why should you think of me?

Oh my God, I'll never know

It's unconditional love

Unconditional love

Unconditional love

The grace flood

Unconditional love

Unconditional love

Unconditional love

The grace flood

Take my hand and lead me further up within here

Deep within your heart, within your soul

On my knees as I crawl steady up the incline

The glory of your face and I can't stand

So why, so why, so why, so why?

Why do you even love me?

Why do you even care?

Why should you think of me?

Oh my God, I'll never know

It's unconditional love

Unconditional love

Unconditional love

The grace flood

Unconditional love

Unconditional love

Unconditional love

The grace flood

So, why do you even love me?

Why do you even care?
Why should you think of me?
Oh my God, I'll never know

It's unconditional love
Unconditional love
Unconditional love
The grace flood
Unconditional love
Unconditional love
Unconditional love
The grace flood
