Hold on to Jesus  
And tell Him about everything  
Your dreams and your troubles  
Pure hearts desire one thing

And mine is to know You  
Mine is to break down  
And shatter to pieces  
And lose everything I've found

I'm learning that nothing worth anything is cheap  
I'm learning the path is thin and the grade is steep  
And that the altars where we lay ourselves will crack  
when tested  
And that there's only one that turns our hearts to gold

Hold on to Jesus  
Tell him about everything  
Your dreams and your troubles  
Pure hearts desire one thing

And mine is to know You  
Mine is to break down  
And shatter to pieces  
And lose everything I've found

I'm finding that I'm not who I once thought I was  
I'm finding I'm powerless to obtain Your love  
And that the only gifts I bring to You are rags and  
failures  
Through a strange exchange You've made them myrrh  
and gold

Hold on to Jesus  
Tell Him about everything  
Your dreams and your troubles  
Pure hearts desire one thing

And mine is to know You  
Mine is to break down  
And shatter to pieces  
And lose everything I've found

And lose everything I've found  
Lose everything I've found
