I know I'm just another Judas, kiss Your face  
While I drive the nail in Your hand  
I know I'm just another Thomas, won't believe  
Until I feel the hole in Your hand

Then I will say, my God, I see not what You see  
My God, what do You see in me?  
My God, crowned in glory  
The Lamb of God is worthy

My sin yell, "Crucify"  
Louder than the mob that day  
My sin yell, "Crucify"  
Louder than any mouth

My sin yell, "Crucify"  
Louder than the mob that day  
My sin yell, "Crucify"  
Crucify, crucify

I know I'm just another Judas, kiss Your face  
While I drive the nail through Your hand  
And I know I'm just another Thomas, won't believe  
Until I feel the hole in Your hand

Then I will say, my God, I see not what You see  
My God, what do You see in me?  
My God, crowned in glory  
The Lamb of God is worthy

My sin yell, "Crucify"  
Louder than the mob that day  
My sin yell, "Crucify"  
Louder than any mouth

My sin yell, "Crucify"  
Louder than the mob that day  
My sin yell, "Crucify"  
Crucify, crucify

Then I will say, my God, I see not what You see  
My God, what do You see in me?

My God, crowned in glory  
The Lamb of God is worthy  
My God, crowned in glory  
The Lamb of God is worthy

My sin yells, "Crucify"  
Louder than the mob that day  
My sin yell, "Crucify"  
Louder than any mouth

My sin yell, "Crucify"  
Louder than the mob that day  
My sin yells, "Crucify"  
Crucify, crucify
