Pick your poison  
Pseudo-Christian, neo-orthodoxy, false philosophy  
Triple-X pornography, L S D, P C P, self-idolatry  
Listen you can hear the laugh of Mephistopheles

'Cause once you start, it's so very hard to cease  
To say the least it's hard enough to keep it from  
increase  
That's the box you can never close it once it's open  
You can't contain what's inside once the seal is broken

Who knocked the locks off a Pandora's box?  
Praise apostate while they mock the orthodox  
Who knocked the locks off a Pandora's box?  
Pandora's box, Pandora's box

Who knocked the locks off a Pandora's box?  
Praise apostate while they mock the orthodox  
Who knocked the locks off a Pandora's box?  
Pandora's box, Pandora's box

The box was opened first by Adam and Eve  
Forbidden fruit they tasted and planted the seed  
That grew up into hatred, lust and greed  
The pain of Cain and his devious deed

It permeates society circling like a vulture  
But the lid's flung wide and we call it our culture  
That's the box you can never close it once it's open  
You can't contain what's inside once the seal is broken

Who knocked the locks off a Pandora's box?  
Praise apostate while they mock the orthodox  
Who knocked the locks off a Pandora's box?  
Pandora's box, Pandora's box

Who knocked the locks off a Pandora's box?  
Praise apostate while they mock the orthodox  
Who knocked the locks off a Pandora's box?  
Pandora's box, Pandora's box

Who knocked the locks off a Pandora's box?

Praise apostate while they mock the orthodox  
Who knocked the locks off a Pandora's box?  
Pandora's box, Pandora's box

Who knocked the locks off a Pandora's box?  
Praise apostate while they mock the orthodox  
Who knocked the locks off a Pandora's box?  
Pandora's box, Pandora's box
