Darling, you still deprive me of my sleep
Iâ€™m starting to remind myself, begin to see
in my recent dreams the culprit is not only me
but you donâ€™t think of an apology

Contradictory attitudes you canâ€™t expound
your provocations you donâ€™t perceive of great amount
when I was down on the floor you let me down
you donâ€™t hide your sudden turnaround

Now as you can see I have recognised
your latest deeds canâ€™t be justified
finally, Iâ€™m ready for some
light of the sun

Now that I can see I can stop to reflect
the guilt in me, I start looking ahead
finally, Iâ€™m ready for some
light of the sun

Girl, there is a world you want to see
your mind is inexperienced, wants to be free
I cannot trust your love, you mistrust me
we both know you ainâ€™t the one for me

Now as you can see I have recognised
your latest deeds canâ€™t be justified
finally, Iâ€™m ready for some
light of the sun

Now that I can see I can stop to reflect
the guilt in me, I start looking ahead
finally, Iâ€™m ready for some
light of the sun
ready to run

Move, my feet, I wanne run
Move, my feet, I wanne run
Move, my feet, I wanne run

Now as you can see I have recognised
your latest deeds canâ€™t be justified

finally, Iâ€™m ready for some
light of the sun

Now that I can see I can stop to reflect
the guilt in me, I start looking ahead
finally, Iâ€™m ready for some
light of the sun
ready to run
