[CHORUS - GOTTHEAD]

You the fuckin' greatest, you the fuckin' greatest  
I lurr it in my anus, I lurr it in my anus

[VERSE - GOTTHEAD]

Oh when you get up in me, I go to squeeze my titty  
And when you pull out, your dick is extra shitty  
When you drop your load, I slurp it up  
And then I go and spit it into a cup  
I put the cup in the freezer, save it for later  
If I was a superhero, I'd be the masturbator  
I give the fuckin' greatest rimjob (rimjob)  
And when I'm done I eat yo big ass weiner like corn on  
the cob  
I get down on my knees, oh I'm begging please  
I give deep throat, when you jizz I need a raincoat

Black people, big dick  
Hispanic people, big dick  
White people, big dick  
Asian people, small dick  
The Hulk, fuckin' giant dick,  
Fuckin' giant dick, fuckin' giant dick, fuckin' giant

[VERSE - LETEPIA JONES]

It's me, Ms. Jones, I wanna get boned  
I'm worldwide known, and you 'bout to get owned  
I'mma be a bad bitch in this city forever  
Gotthead you can pet me like a kitty, call me Liz Levner  
I lurr it in my anus, in my ear, in my mouth  
If you wanna fuck me, move your dick down south  
Big booty bitch nigga want a dick in the ass  
Rape me while I sleep and no you ain't even gotta ask  
Letepia Jones and Gotthead with a number-one hit  
Even Bill Cunningham wanna be on my shit  
Cheese on the cracker, he love me and my big old tits  
I win knife fights everyday, I can explain them slits  
Oh okay, you want me to be on the show this week?  
'Cause all these other bitches got a flow so weak?  
I'mma blow up so big, only growth, Anthony  
Honk honk, I'm coming for you cunts, Anferny

[VERSE - GOTTHEAD]

I wanna fuck right now, I wanna eat a cow  
Quiero to say "meow, meow"  
When you go fast inside me I say "ow, ow"  
I'm just a little boy, my anus wants some toys  
And I wanna fuck a little boy hoy  
I'm just a little boy, my anus wants some toys  
And I wanna fuck a little boy hoy

I grabbed some dude off the street and I'm like "Sup,  
bro?"  
Bring him back to my house, drop your pants, ho  
We get naked, bring out my Shaq-sized dildo (Shaq-  
sized dildo)  
His dick in my ass goes so far in  
I bleed, I bleed, 'cause I'm a virgin  
Gotta go make some diarrhea  
When that shit comes out I orgasm like "EEYA, EEYA!"  
Then I go back to the anal, without flushing or washing  
my ass  
Then I go back to the fuckin' toilet, to measure the  
fuckin' mass  
And like I said before, oh, oh, oh, oh

[CHORUS - GOTTHEAD & LETEPIA JONES]

You the fuckin' greatest, you the fuckin' greatest  
I lurr it in my anus, I lurr it in my anus
