I met a girl with a lip tattoo, she looked skinny as a rail in her high heel shoes Sheâ€<sup>™</sup> s got a spot above webster hall gonna run this town with her hair up in a bow. Just a small town girl, USA, hell her daddyâ€<sup>™</sup> s bagging groceries, livinâ€<sup>™</sup> day by day; And I know she knows it ainâ€<sup>™</sup> t her place, but sheâ€<sup>™</sup> s tired of that living in the same clichéâ€<sup>™</sup> s, So she the first to hold a degree, while her mommaâ€<sup>™</sup> s waitinâ€<sup>™</sup> tables down at ruby Tuesdayâ€<sup>™</sup> s; but I aint saying that at all like its mean, cause her momma probably taught the girl damn near everything.

So she gonna do what she wants to do. She gonna wear a one piece bathing suit. She gonna smile, she gonna scream, Small town girl in a big city, yeah sheâ€<sup>™</sup> s making her move. Sheâ€<sup>™</sup> s got american dreams.

Oh so baby look at you now, youâ€<sup>™</sup> re a small town girl in a big olâ€<sup>™</sup> crowd;

Youâ€<sup>™</sup> re moving up, youâ€<sup>™</sup> re making your scene, you ainâ€<sup>™</sup> t making a dime but youâ€<sup>™</sup> re livinâ€<sup>™</sup> your dreams;

And out there youâ€<sup>™</sup> re bound to have some fights, but follow your heart, you gon do alright' And I know thatâ€<sup>™</sup> s what youâ€<sup>™</sup> II always do, you were born to beat people for breaking the rules

So she gonna do what she wants to do. She gonna wear a one piece bathing suit. She gonba smile, she gonna scream

Small town girl in a big city, yeah sheâ€<sup>™</sup> s making her move. She got american dreams-

Donâ€<sup>™</sup>t come from anyone else,

they  $\hat{a} \! \in \! {}^{_{\rm TM}}$  re born from the beating deep inside your chest, lord knows they do

Yeah and the harder you try the harder you might fall, but you never learn nothing, if  $ita \in M$  s never your own fault, yeah so do what you do, oh go on and make us a move

She got american dreams

She got american dreams

She gonna do what she wants to do, the girl in the one piece bathing suit, she gonna, yeah she gonna do She got a black dress on, yeah she got some long brown hair, yeah she got (american dreams), yeah she skinny as a rail, yeah she got (american dreams)
