Look around,
I see you found
Something new to talk about
Saying oh, oh, oh

Seasons change; youâ€™re still the same,
Like a light that wonâ€™t burn out
Saying oh, oh, oh

Iâ€™m so close,
Iâ€™m too close to help you now

Chorus
Oh, when you gonna wake up?
When you gonna step out
And get out of your own way, own way baby
Oh, the worldâ€™s not against you
When you gonna realize youâ€™re standing in your
own way

New day, still the same,
Always somebody elseâ€™s fault
Try to hide all your lies
Never ever could be wrong
Saying oh, oh, oh

Iâ€™m so close, Iâ€™m too close to help you now
Iâ€™m so close, Iâ€™m too close to help you now.

Chorus

Oh, when you gonna wake up?
Oh, standing in your own way

Chorus

Look around,
I see you found
Something new to talk about.
