Out of nowhere it arrived, a menses prey of fate
Gureling demon of mankind
No longer locked away
In the wings it awaits, just listen for the call
Rush of anger, speeding pulse
The time has finally come

The fist pushes down into the mind from the skull
The violent circle starts the spinning wheel
Round and round
Stay, stand your ground
As your forces become strong
Within you rivet rats come alive to take this fight

Hand of evil reaching out
Sending signals to the brain
Blood and anger tell the tale
The beast is coming home

A growing monster so alive
It's living, breeding deep inside
Taking violence for a ride in us all, the rat's alive

From the dark it screamed for life
Feeding violence to the mind
In us all the rat's alive, power and pain from inside

The rivet rat, Rivet rat
The rivet rat, Rivet rat
The rivet rat, Rivet rat
Long live the rivet

Rats are growing in your brain
They multiply and go insane
In us all the rat's alive, power and pain from inside

The rivet rat, Rivet rat
The rivet rat, Rivet rat
The rivet rat, Rivet rat
Long live the rivet

Rivet rat, from inside you

Rivet rat, screaming out
Rivet rat, mends prey
Rivet rat, from inside you
Rivet rat, screaming out
Rivet rat, it's all around you.
