"Wrecking Crew"

Ain't no job too big or small,
Just one sweep of the wreckin' ball
Put 'em up, we'll knock 'em down,
Or knock 'em up, then leave town
Demolition of the mind
Desolation, left behind
Light the fuse, dynamite
Light the sky! in the night!

We're gonna walk
All over you
'Cause we are
The wreckin', wreckin' crew!
We are the wreckin' crew

Wreckin' crew!
We are the wreckin' crew

Destruction is a way of life
Destruction, mayhem, havoc, strife
Crack a smile, hear the sound
Watch 'em crumble to the ground
Innocence ain't no excuse,
Slip your neck inside the noose
Pay in blood I demand,
The wreckin' crew is outta hand

We'll wreck your neck!
Wreckin' crew!
Get wrecked!

Turn to ashes, turn to dust
We're the ones that you can trust
Evil smile, wicked grin,
Tear it down, begin to sin
Think that you will end it all,
There's no one left to ball or call
When there ain't nothin' left to do,
Call upon, the wreckin' crew!

We'll wreck your neck!
Wreckin' crew!

Yer wreck!
Ah! Wreckin' crew!
Wreck! Wreck!
