When every color lost its tone  
This broken heart you're not alone  
You better hide and find your ...  
The former phone became your friend  
Don't let those losers win again  
You better run and find a man  
A greater secret never told rainbow called

#### Chorus

Cause I look to the east  
And I look to the west  
And blessed my lucky star  
Blessed my lucky star  
Invisible, visivle, invisible  
So I bound to the priest  
And I waited to possessed  
And I blessed my lucky star  
Blessed my lucky star  
Invisible, visible, invisible -o-o

Some vivid doctor runs the show  
God's livin children stay below  
They track you down and cryck your code  
But there's a power you posses  
You meditate than you flouresce  
We turn the tide and spears corrode  
A greater secret never told rainbow gold

#### REPEAR CHOURS

A greatest secret never told I've been invisible  
A greatest secret never told
