I've been praying to idols  
Begging favors from ghosts  
I could feel suicidal  
From a pillar to post  
I used to be hollow then you came along  
Now I kneel to Apollo I'm religious

I believe in the magic  
Feel the heat of your skin  
You can call me fanatic  
I'm your soldier of sin  
We're crashing the club doors and live for the night  
When I'm back on the dance floor I'm religious

I've been praying to idols  
Begging favors from ghosts  
I could feel suicidal  
From a pillar to post  
I used to be hollow then you came along  
Now I kneel to Apollo I'm religious

When I'm falling I'm calling the gods  
When I'm falling I'm calling the gods  
Religious religious
