I bought a new pair of shoes. I got a new attitude when I walk. 'Cause I'm so over you. And it's all about tonight. I'm going out with the girls. Ready to show all the world what I got. Letting go of the hurt. 'Cause it's all about tonight. Yeah the night is alive you can feel the heartbeat. Let's just go with the flow. We've been working all week. Tomorrow doesn't matter when your moving your feet. 'Cause it's all about tonight. Yeah we'll be dancing and singing. And climbing up on the tables. We'll be rocking this party so tell the DJ don't stop. Grab someone if your single grab someone if your not. 'Cause it's all about tonight. No boy I'm not hanging on. 'Cause I threw all your drama away. Had something good but it's gone. And yeah it's all about tonight. They got the music so loud. So I can't hear the phone if you call. And were so over now. 'Cause it's all about tonight. Yeah the night is alive you can feel the heartbeat. Let's just go with the flow. We've been working all week. Tomorrow doesn't matter when your moving your feet. 'Cause it's all about tonight. Yeah we'll be dancing and singing. And climbing up on the tables. We'll be rocking this party so tell the DJ don't stop. Grab someone if your single grab someone if your not. 'Cause it's all about tonight. Tonight 'cause is all that really matters. 'Cause it's all about tonight. Yeah the night is alive you can feel the heartbeat. Let's just go with the flow. We've been working all week. Tomorrow doesn't matter when your moving your feet. 'Cause it's all about tonight. Yeah we'll be dancing and singing. And climbing up on the tables. We'll be rocking this party so tell the DJ don't stop. Grab someone if your single grab someone if your not. 'Cause it's all about tonight.
