I push the blade  
Into the wall  
I push in deep  
I'm digging a hole

Gonna put up a fight  
Gotta cut in clean  
With my skin and bones  
I'm a cutting machine

You left me deaf  
Left me blind  
I leave you something  
You can't rewind

The accusation zone  
Fighting all the time  
We'll just be great again tomorrow  
Waste each other's time

You shed your skin  
Down on the ground  
And you showed your face  
And you shook it around

Then you plug in a hit  
You got me running scared  
Flat on my back  
I just wasn't prepared

You left me deaf  
Left me blind  
I leave you something  
You can't rewind

The accusation zone  
Fighting all the time  
We'll just be great again tomorrow  
Waste each other's time

We'll just be great again tomorrow  
I'll push you out

We decimate ourselves

Push me out
