Honey don't follow after me your to close
And the boys are chasing after you
And I can't take it, take it anymore
I don't care at all today, I know exactly what
you're going to say
All I know is if you come my way, I'm not your boy
I'm not your getaway

Don't you see me knocking down your door
I'm always coming back for more
If you come my way, I'm not your boy
I'm not your getaway

I'm not your getaway
I'm not your getaway

Forget every word they said to you
Forget everything you said to me
And we'll take this all the way and tear it to the
ground
Me and my friends are wondering what your gonna do
next
Cause girls are cheap thrills, they're killing me
And boys are always gonna know best
And all the boys are coming after you
And I can't take it
All the boys are coming after you
I can't take it

Don't you see me knocking down your door
I'm always coming back for more
If you come my way, I'm not your boy
I'm not your getaway

Are you feeling me
Are you feeling me
Are you feeling me
Are you feeling me
I don't care at all today, I know exactly what
you're going to say
All I know is if you come my way, I'm not your boy
I'm not your getaway

Don't you see me knocking down your door
I'm always coming back for more
Don't you see me knocking down your door
I'm always coming back for more
If you come my way, I'm not your boy
I'm not your getaway

I'm not your getaway
I'm not your getaway
I'm not your getaway
I'm not your getaway
