I can't take it, I can't take it
That's why I'm leaving
Take me, take me away from here

I've seen the evidence, I've seen you tell your
friends
It's time to make my getaway
And you are, everything that I've been missing
And you know I'm leaving, you know I'm leaving

We're in love
Give us a sign and never let go of the west coast
Never let go of the west coast
We're in love
Give us a sign and never let go of the west coast
Never let go of the west coast

So have another cigarette and pull me back again
With your love cause it fills me up
Remember the days that we both spent
Bury me in the sand
Or drown me in the ocean
Because you know I'm leaving
You know I'm leaving

We're in love
Give us a sign and never let go of the west coast
Never let go of the west coast
We're in love
Give us a sign and never let go of the west coast
Never let go of the west coast

Remember the days when we were young
Break an oath tonight
And never let go

And never let go
Of the west coast
And never let go
And never let go

We're in love

Give us a sign and never let go of the west coast
Never let go of the west coast
Weâ€™™ re in love
Give us a sign and never let go of the west coast
Never let go of the west coast
