Is this a nu day?

So I asked my friend

Who has chosen a nu way

In this ugly place

Is this a nu day?

As I always say (echo)

To those who couldn't pay

Or put their face in place (echo)

[Refrain]

Whenever you're down

Who do you call?
 Whenever youâ€™re sad
 Who do you call?
 Whenever Iâ€™m down
 Iâ€™ll call on HIM (echo)
 Whenever Iâ€™m sad
 Iâ€™ll call on HIM (echo)
 [Chorus]
 If you see me facinâ€™ night
 You need to know itâ€™s time for me to truly see the

 If you see me facinâ€™ night
 You need to know itâ€™s time for me to truly see the
