I can't lose I can't fall I swear I feel 10 feet tall cause I
got you I got you
I am whole I am sane I feel I can win this game cause I
got you I got you
I won't stray I won't lie I will never make u cry cause I got
you I got you
I can't stress I can't fight I'll be good till the day I die
cause I got you I got you-----
ohh ohh ohh you you you I got you you you I got you

Can't just waste my life in vain. haven't felt any pain
cause I got you I got you
I won't live now without you I realize u should b by my
side cause I got you I got you
I'll give more if you need time. I been near every night
since I got you I got you
Your my book I read your lines left my troubles far
behind since I got you I got you

ohh ohh ohh you you you I got you you you I got you

I can't lose I can't fall I swear I feel 10 feet tall cause I
got you I got you
