Greg Machado "It Will Rain" (rewritten by Sliz)
If you ever leave me baby. If your walkin out that door.
Communicate before you lose all patience. and realize
if you let go you aint coming back no more. I know this
might come off as crazy. And honestly I'm not that
sure. But everytime I find myself still waitin. For you to
show me signs and whyâ€¦ and what do this for?

Cause they'll be no sunshineâ€¦if I lose you
babyâ€¦they'll be no clear skies if I lose you baby. Just
like the clouds my eyes will do the same if you walk
awayâ€¦Everyday it'll rainâ€¦rainâ€¦..rainâ€¦

I swear I thought our love was sacred. We promised we
would never live a lie. But in this life some things are
worth the chasing. The best things in the world could
still make you cry. At first I thought you fell in love with
another man. But the truth showed thru in all the time.
And for you I'll ride I'll die I'll fly I'll flyâ€¦â€¦ and think
of the lonely nights I'd have if you would ever say
goodbye

Cause they'll be no sunshineâ€¦if I lose you
babyâ€¦they'll be no clear skies if I lose you baby. Just
like the clouds my eyes will do the same if you walk
awayâ€¦Everyday it'll rainâ€¦rainâ€¦..rainâ€¦

Don't you say good bye
Don't you say goodbye

And think of these lonely nights I'd have if you would
ever say goodbyeâ€¦.

Cause they'll be no sunshineâ€¦if I lose you
babyâ€¦they'll be no clear skies if I lose you baby. Just
like the clouds my eyes will do the same if you walk
awayâ€¦Everyday it'll rainâ€¦rainâ€¦..rainâ€¦
