You ready yet
You already know I get it wet
Moving too fast
Slow it down slow it down
Let's make it last we can go a few rounds now. I know
you feel my lips
I got you open now. Gotta stroke that I wanna show you
oh. On the bed on the wall on the floor oh
So easy
I got you burnin up
I'm deep
So long that I might stretch it
Girl fight back
You know I tear it up
You on top of me huh
Ain't no stoppin it huh

Girl I see you right there with your clothes off
Ayy drop it on me while I break you off no hurry baby
I'm a work a half day cause I need some time to just
play

Legs in the air. It's bouta get hot let's do it. All night
lover girl you know I never rush. Make ya body flex I can
feel you bouta...
Dats more den one tonite
It's like a faucet now
Gotta stroke that I wanna show you oh on the bed on
the wall on the floor oh

So easy
I got you burnin up
I'm deep
So long that I might stretch it
Girl fight back
You know I tear it up
You on top of me huh
Ain't no stoppin it huh

Girl I see you right there with your clothes off
Ayy drop it on me while I break you off no hurry baby
I'm a work a half day cause I need some time to just

play
