I keep saying that I'll write a song about you
But I'm still not ready yet
I suppose that I don't really have a reason besides
I'm scared that I'll forget
That when I write the perfect chorus on Monday
after your mid-day wake
that this was all a terrible mistake.

Hold on, hold on
just a little while longer
Hold on, hold on
For me
Hold on, hold on
until we all grow stronger
Hold on, hold on, hold on, hold on, hold on...
For me.

So for now I'll write bits and pieces
and save the rest for when I'm calm
When I see your sister and all our friends
And we read passages from Psalms
And I hate the thought your headstone
Won't have the space to say
That you rest two blocks from our homes
But it feels like you're a million miles away

Hold on, hold on
just a little while longer
Hold on, hold on
For me
Hold on, hold on
until we all grow stronger
Hold on, hold on, hold on, hold on, hold on...
For me.

I know what it takes to move on
I just wish it wasn't so
And I say that I will be strong
but it's out of my control
There's so much I never said
And so much I'll never show
Sure as sunrise comes at dawn

It is hard to let you go.

Hold on, hold on
just a little while longer
Hold on, hold on
For me
Hold on, hold on
until we all grow stronger
If only we could have had another minute longer..

Hold on, hold on
just a little while longer
Hold on, hold on
For me
Hold on, hold on
until we all grow stronger
Hold on, hold on, hold on, hold on, hold on for me.
