Gruhak Boogie

I need a rhythm, I need a groove  
When it's all mine I can go back in time  
Give me the rhythm, give me the groove  
Take me back to that crazy mood

Gruhak boogie that is all that I need from you

I need a rhythm, I need a groove  
When it's all mine I'm back in '69  
Give me the rhythm, give me the groove  
Take me back to that crazy mood

Gruhak boogie that is all that I need from you

I've got a rhythm, I've got a groove  
It's all mine baby, and I feel fine

Rhythm, groove,  
I'm going' back there to that crazy mood

Gruhak boogie that is all that I need from you  
Gruhak boogie that is all
