Puking Blues

Well, I donâ€™t feel not one thing at all
Not my hands, or my legs
Not even pain in my heart
The world is spinning around
Canâ€™t say whatâ€™s sky, what is ground
I just feel like throwing up
Well I know that I should go to sleep
I'm going down really deep
I can not find a way to stop

Well I donâ€™t have not one thing at all
So I got, I got not one thing to lose
Oh, I canâ€™t sing anymore
So I do, yes I do that puking blues

Well, I will drink just one more
Donâ€™t ask me why, cause Iâ€™m not sure
Iâ€™m feeling like a liquor store
I sang out all the love I had inside
Lost my voice in the meanwhile
Take me lord I want to die
It would be better now, there is no doubt
If I was keeping my mouth shut
I wouldnâ€™t be taking comfort from the south

Well I donâ€™t have not one thing at all
So I got, I got not one thing to lose
Oh, I canâ€™t sing anymore
So I do, yes I do that puking blues
