We're gonna make this happen  
It's your last chance to have this  
It's why I'm sticking around  
I'm wanna be spinning around in your bedroom cd  
player  
Leave this behind  
Start a new life  
Will we remember Chicago tonight?

When I leave I hope you know I'm never coming home  
Hope by turning a bite down oh oh oh  
It's better to forget, come on and let things go  
Just let things go, so just go home  
When I leave I hope you know I'm never coming home  
Hope by turning a bite down oh oh oh  
It's better to forget, come on and let things go  
Just let things go, so just go home  
(So just go home)

You'll never make your move (make your move)  
Don't move to quick, don't move to soon  
This industry will tear you apart  
You wanna call my bluff, I'll show you every scar

Whoa, I'm inside out  
Whoa, from outside in  
Whoa, figure me out  
My guess is best you'll never win

When I leave I hope you know I'm never coming home  
Hope by turning a bite down oh oh oh  
It's better to forget, come on and let things go  
Just let things go, so just go home  
When I leave I hope you know I'm never coming home  
Hope by turning a bite down oh oh oh  
It's better to forget, come on and let things go  
Just let things go, so just go home

Please don't forget, everytime we ever met, eye to eye  
Looking back at the best days of our lives  
Always letting the girls chase us

Knowing one day we'd be famous  
Two best friends  
This story of mine may never end

When I leave I hope you know I'm never coming home  
(oh oh oh oh oh oh)  
Hope by turning a bite down oh oh oh (oh oh oh oh oh oh)  
oh)  
It's better to forget, come on and let things go (oh oh  
oh oh oh oh)  
Just let things go, so just go home (oh oh oh oh oh oh)  
When I leave I hope you know I'm never coming home  
(oh oh oh oh oh oh)  
Hope by turning a bite down oh oh oh (oh oh oh oh oh oh)  
oh)  
It's better to forget, come on and let things go (oh oh  
oh oh oh oh)  
Just let things go, so just go home (oh oh oh oh oh oh)  
(oh oh oh oh oh oh)  
Whoa (oh oh oh oh oh oh)  
Whoa (oh oh oh oh oh oh)
