She puts up her guard
She takes off her clothes
Whats behind her shirt everybody knows
(everybody knows)

Too much drinking
Not enough thinking
Are we having fun yet?
Are we having fun yet?

Far from sober
you're all over
that guy you just met
when you were in the act

Far from sober
you're all over
that guy
you just met...

GO!

A black eye
written in the script
Right from the boy she shouldnt kiss
In him she puts new love and trust
He'll never be as good as i was

Too much drinking
Not enough thinking
Are we having fun yet?
Are we having fun yet?...

Well I hope you crack your neck!

Far from sober
you're all over
that guy you just met
when you were in the act

Far from sober

you're all over
that guy you just met
