

## October Project "Wall Of Silence"

Visit "[Wall Of Silence](#)" on [MotoLyrics.com](https://www.motolyrics.com)

I've seen that life  
Touches us with pain  
And we change  
Becoming strangers to our friends  
Tell me what happens along the way  
I thought of us  
Hard to talk these days  
Did we change  
Or were we strangers all along  
Tell me what caused us to turn away  
CHORUS  
There's a wall of silence  
Miles across  
A wall between us  
Holding back  
Holding back our loss  
I moved ahead  
Thinking you'd be there  
But it changed  
And now we're strangers to our past  
How did I lose you along the way  
CHORUS  
I've seen that life  
Touches us with pain  
And we change  
Becoming strangers to ourselves  
Tell me what happens along the way  
How did I lose you along the way
