Hati Hati it's my Hati
Hati Hati it's my Hati
Don't you go breakin' my heart
Don't you go breakin' my heart
Hati Hati it's my Hati.

Hati-Hati it's my Hati
Hati-Hati it's my Hati
Oh I knew right from the start
Yes I knew right from the start
You were really only playin'
Didn't mean what you were sayin'
And you are breakin' my heart
Yes you are breakin' my heart
Hati-Hati, it's my Hati.

Baby, baby, Matahari
I'll be gone and you'll be sorry

There'll be no breakin' my heart
No no more breakin' my heart
By the goddess Saraswati
There's an end to Hati-Hati
You can just mati!
Yes, you can mati!
You can just mati!
You can

Translation:
Hati-Hati means BE CAREFUL
Hati means HEART
