Are you sure when you say you love me?
Are you sure yeah, yeah it's not just some fantasy?
It's not just some crazy dream?
Are you sure baby wooh you haven't lost all
reasoning?
Are you sure now you haven't twisted your logics?
Haven't lost reality?
Are you sure of the sweet things you say?
Are you sure yeah, yeah, yeah, yeah, yeah, yeah
they're not from some comic play
that's taken in a silly, silly way to make one laugh?
Ooh, by the way!

You better be sure.
You better be sure of what you want.
You better be sure baby.
You better be sure it's not just to taunt me.

You better be sure.
You better be sure of what you want.
You better be sure baby.
You better be sure it's not just to taunt wooh.
I gotta know baby!

Are you sure you're not just imagining?
Are you sure, wooh, wooh, wooh it's not just
another fling;
just another foolish, foolish, foolish thing?
Are you sure now, oh when I give you all my love?
Are you sure yeah, yeah, yeah, hey, after you've
gotten what you want
that you won't leave me high-and-dry,
for I was just another try?

You better be sure.
You better be sure of what you want.
You better be sure my darling.
You better be sure it's just not to taunt.
You better be sure of your love,
'cause I don't wanna be sad and blue.
You better be sure yeah, yeah, yeah, hey
before I give my, give my, give my love unto you.

Oh, wooh baby, are you sure?
Hey I wanna know are you sure yeah, yeah, yeah,
yeah?
Oh, are you sure now, now, now, now?
wanna know that your love is true!
