You told me you wanted to just be friends.
You made me believe itâ€™s what I had to
comprehend.
Then you started saying things now and then,
showing you wanted to be more than just platonic
friends.
I fell for every little thing that I heard.
Tell me my dear one why did you say such tender
words
then take my poor soul and put it out on the dole?
Iâ€™m feeling out done a homeless man whoâ€™s all
alone.

My emotions are like someone on skid row
whoâ€™s completely lost and whoâ€™s feeling alone.
My emotions are like someone on skid row
with no place to go no place to call home.
You put my soul on emotional skid row.
How did I get on emotional skid row?
Iâ€™m feeling low on emotional skid row. Wooh!

It took time to see you were just playing with me.
I'm angry with me â€˜cause I fell for this comedy.
You confessed to me youâ€™re ashamed about what
you did
â€˜cause you were really acting like a spoiled kid.

My emotions are like someone on skid row
whoâ€™s completely lost and whoâ€™s feeling alone.
My emotions are like someone on skid row
with no place to go no place to call home.
My emotions are like someone on skid row
whoâ€™s completely lost and whoâ€™s feeling alone.
My emotions are like someone on skid row
with no place to go no place to call home, no!.

I, I gave myself unconditionally
I believed in you totally,
but now Iâ€™m paying woefully
oh baby canâ€™t you see how youâ€™ve destroyed
me?
Oh, Iâ€™m all alone on emotional skid row?

You hurt me!
