Higher, take me higher, and I'll keep your soul on fire.

Mum-huh yeah!

Higher, take me higher, and I'll give you what you require.

You know your love sets me on fire it fills me with so much desire.

Havin' you with me from day-to-day keeps my love thing burnin' all the way.

Yeah, day-to-day it keeps on growin', and day-to-day I see it showin'.

If you keep on doing what you do that means somethin' good's in store for you.

Higher, take me higher, and I'll keep your soul on fire.

Mum-huh yeah!

Higher, take me higher, and I'll give you what you require.

Oh baby, I don't have any fears everyday you're near it becomes so clear.

That hot, hot love you are pumpin' was truly made to keep me jumpin'.

You've found the way to make my heart stop and take my love way over the top.

If you keep on doin' it that sincere you'll never get my love thing out of here.

Higher, take me higher, and I'll keep your soul on fire.

Mum-huh yeah!

Higher, take me higher, and I'll give you what you require.

(Repeat)

You've found the way to make my heart stop and take my love way over the top.

If you keep doin' it that sincere you'll never get my love out of here.

Higher, take me higher, and I'll keep your soul on  
fire.

Hey yeah!

Higher, take me higher, and I'll give you what you  
require.
