The other day I heard somebody say
that their sweet baby upped and walked away
for some reason no they didn't say.
I'm sure they didn't treat their lover the right
way.

Eh wooh, wooh, wooh I know how it hurts
when your love is in the dirt.
What you do you know you do it to yourself
so don't you go and blame it on anybody else.

I, I, I, I, I'm
not gonna get hurt baby.
I'm not crazy.
I, I, I, I, I'm
gonna give good love daily
I won't fail yah.

A little lie or shady alibi
is something I won't buy, I sure will criticize
if you make it clear right from the start
no need to fear stumbling in the dark.
Eh, wooh, wooh, wooh no need to walk away
Just keep things on the straightaway.
Nip those problems in the bud right away
keep your lovin' true, yeah.

I, I, I, I, I'm
not gonna get hurt baby.
I'm not crazy. Oh no!
I, I, I, I, I'm
gonna give good love daily
I won't fail yah.

Treat your lover with respect.
Keep your problems all in check.
Take the time to give your best.
Don't let yourself get distressed.

I, I, I, I, I'm
not gonna get hurt baby.
I'm not crazy.
I, I, I, I, I'm

gonna give good love daily
I wonâ€™t fail yah.

I, I, I, I, Iâ€™m
not gonna get hurt baby.
Iâ€™m not crazy.
I, I, I, I, Iâ€™m
gonna give good love daily
I wonâ€™t fail yah.
