Each day that passes makes me stop and ask,
"Why so such hurt and pain on this â€™ ole planet?"
"Why are we so deaf to each others cries?"
"To their tearful eyes?" "Why do we close our minds?"
"Do we wear facades?" "Do we masquerade
with the ones we say we appreciate?"
We preach love not hate and how to meditate
but we donâ€™t relate! "Are we somehow fakes?"

Itâ€™s time
we realize and open our eyes.
Itâ€™s time
that we get wise and drop all disguise.
Itâ€™s time
to swallow those fears and no more lies.
Itâ€™s time
to unmask the love we hold inside.

We build temples so high till they reach the sky;
teach on modern times. "Are we teaching lies?"
"When we know things arenâ€™t right should we
criticize?
Should we turn our heads even close our eyes?"
"Do we wear facades?" "Do we masquerade
with the ones we say we appreciate?"
We preach love not hate and how to meditate
but we donâ€™t relate! "Are we somehow fakes?"

Itâ€™s time
we realize and open our eyes.
Itâ€™s time
that we get wise and drop all disguise.
Itâ€™s time
to swallow our fears and no more lies.
Itâ€™s time
to unmask the love we hold inside

Letâ€™s stop this insanity.
Letâ€™s stop the indifference.
Letâ€™s all except our blame.
Letâ€™s let the truth be our sole aim.

Let's stop this insanity.
Let's stop the indifference.
Let's all except our blame.
Let's let the truth be our sole aim.

It's time
we realize and open our eyes.
It's time
that we get wise and drop all disguise.
It's time
to swallow our fears and no more lies.
It's time to unmask the love we hold inside
It's time!
