(Spoken)

Yeah, you know so often we can feel alone in this big old world. That no one is there for us at all. Well, this song is dedicated to those who feel lost and who are lost. I'm not the type to preach, and I don't wanna preach, but I just want you to know this one thing.

(Sing)

There I was feeling all alone  
feeling that there was no love.  
My heart was hard, hard as a stone  
then something happened, happened from above.  
Across the night there came this light  
a light that shined terribly, terribly bright,  
and as I stood with eyes opened wide  
I knew that I had found my guide.  
It's a miracle of love.  
It's a miracle of my life.  
It's a miracle of love  
thanks be to this I'll have no more strife.  
In this I've placed all of my fears  
I know that I'll have no more tears.  
Because it came and it saved me  
there'll be no more feeling lonely.  
Since I've been touched, touched from up above  
with the glove of all mighty love.  
My soul is filled with pure delight  
thanks be to this now I'm alright.  
It's a miracle of love.  
It's a miracle in my life.  
It's a miracle of love.  
Thanks be to this have no more strife.  
It's a miracle of love.  
It's a miracle of my life.  
It's a miracle of love.  
thanks be to this I'll have no more strife.  
It's my strength. It's my armory.  
It's the sense of my existence.  
Without this love there'd be no need  
life would have no importance.  
It's a miracle of love. X 5

Itâ€™s a miracle in my life.  
Itâ€™s a miracle of love.  
Itâ€™s a miracle of my life.  
Itâ€™s a miracle of love.  
Itâ€™s a miracle in my life.  
Itâ€™s a miracle of love.  
Itâ€™s a miracle of love.
