Standing here stripped of all false pretensions
with my love on parade in full review.
Not feeling no shame, or apprehensions
just feeling alive. Yes, feeling brand-new.

Naked in love
feeling only loves sensation.
Naked in love
sheltered by your love vibration.
Naked in love
drunk with loves intoxication.
Naked in love
Exposed to your love fixation.

You've ambushed my heart I'm on the front line.
I have neither shields nor heavy armory.
All I have is what you see thereâ€™s no hiding.
Iâ€™m on the firing line your love's priority.
Girl, you've taken away my inhibitions
washed me clean and gave me new ambition.
You've changed my path you wiped away my fears.
Oh yes you did, and now Iâ€™m standing here.

Naked in love
feeling only loves sensation.
Naked in love
sheltered by your love vibration.
Naked in love
drunk with loves intoxication.

Naked in love
Exposed to your love fixation.
Exposed to your love.
Exposed to your love fixation.
Exposed to your love fixation.
Naked in love
feeling only loves sensations.

Naked in love
sheltered by your love vibrations.
Naked in love
drunk with loves intoxication.

Naked in love
Exposed to your love fixation.
Exposed to your love.
Exposed to your love fixation.
