Nothing is impossible, listen to what I say, and I'll show  
you the way.

Nothing is impossible, when you get on prayer the  
world will change I swear.

If you wanna move a mountain child just keep the faith  
don't let what people say discourage you.  
Keep your vision on your goal no wavering  
just trust and you will see believe me.

Nothing is impossible, 'cause only love can heal and  
that's the real deal.  
Nothing is impossible, just try it on for size then you'll  
realize.

If you wanna change or rearrange a narrow mind  
just open up your heart then you will see  
that real honest and true love surly can't hide  
so peace and harmony has to abide.

Nothing is impossible, you can change hate into love  
and make love rise above.  
Nothing is impossible, just try one gentle word and it  
will transfer.

Don't look aside. Don't look around.  
Look down inside that's where love's found.  
Open your eyes and realize  
there's just one God, and that's your guide.

Nothing is impossible, don't let hope slip away keep  
your faith each day.  
Nothing is impossible, just make it work your way then  
you'll see a change.

Then you'll see a change.  
Then you'll see a change  
Then you'll see a change  
Then you'll see a change  
Then you'll see a change
