Sap-doo-da, sap-dap-di-di-doo-doo-da  
Sap-doo-da, sap-bap-bap-di-doo-doo-da

People are talking about the way things are  
the way our kids are raised many have gone wrong,  
and I must agree, oh yeah, un-huh.  
I think back on the times when we could walk  
alone on streets without having a fear,  
now we have to watch, who's near, it's so clear  
something has to change, if we going to live safely.  
I ask all of you parents that you take a little time  
to help put your kids back on track.  
If you don't let me sure you'll regret always  
that you didn't do something to make our streets  
safe;  
so we'll be able to sing a simple melody like this  
sap-doo-da, sa-ba-di-doowi-da  
Yeah, we'll be able to sing  
ah, sap-doo-da, un-su-doo-doo-doowi-da.

There's talk about on the news we're in trouble  
our atmosphere has changed and I'm very sure  
that we need to check our ways, today.  
Human trafficking is going strong  
of those who are weak who can't defend  
themselves  
yet our leaders say, "A shame, it's so  
wrong";  
something has to give, if we going to live in peace.  
All you so called believers just tap into your deep faith  
and go into your secret place.  
Pray one day people will finally find  
some way to make our world like one and make it safe;  
so we'll be able to sing a simple melody like this  
sap-doo-da, sap-bi-doo-doowi-da  
Yeah, we'll be able to sing  
sap-doo-da, bi sap-bi-doo-doowi-da  
Ah, we'll sing sap-bi-doo-doo-doowi-a-da-da  
with the joy that we once had.  
We'll sing sap-bin-doo-un-doowi-a-da-da  
when our streets will return as before.  
Ah, we'll sing sap-doowi-da sing it sap-doo-da

with the joy that we once all had.  
Hey, weâ€™ ll sing sap-bin-doowi-bi-da-doo-tin  
when our streets will return as before.
