You say with me there's no more fun  
now your love is on the run.  
Oh pretty baby tell me what can I say  
guess you've got to go and find your way.  
You ask me what are my feelings,  
and if I thought you had been misleadin' .  
Doesn't matter 'bout what I say  
you'll probably leave me baby anyway.  
Tell me the meaning!  
Tell me the meaning, of what it means to love.  
Tell me the meaning, love fit like a glove!  
Tell me the meaning, of what it means to care.  
Tell me the meaning, aren't you supposed to  
share?  
Tell me the meaning!  
I thought that you were just pretending  
when you said our love is at its ending.  
I truly thought it was just some game  
just to shame me and that was your aim.  
But now I see that it's really true  
I guess there's one thing left to do  
to admit that we're through.  
I'll tell you baby I'll be lost without you.  
Tell me the meaning!  
Tell me the meaning, of what it means to love.  
Tell me the meaning, love fit like a glove!  
Tell me the meaning, of what it means to care.  
Tell me the meaning, aren't you supposed to  
share?  
Tell me the meaning!  
Before I say my last adieus  
there's something I would like to ask you.  
Think about it -what cha do  
and how you act when I'm around you.  
Since you say that you are leaving  
then why do you keep on pleasing?  
Baby don't keep me grieving  
can't stand this pain it's too displeasing.  
Tell me the meaning  
Tell me the meaning, of what it means to love.  
Tell me the meaning, love fit like a glove!  
Tell me the meaning, of what it means to care.

Tell me the meaning, aren't you supposed to  
share?  
Tell me the meaning!
